

Service Coordinator

Corby

We are recruiting for the above key role and are inviting internal applications. Working as part of a dedicated service team, this frontline role will encompass a variety of duties, from the distribution of breakdown jobs to our service engineers, to the processing of service documentation:

The ideal candidate will have the following:

- + Experience working in a service office environment with mobile engineers
- + Ability to work to deadlines whilst maintaining high level of attention to detail
- + Used to Teamwork in a fast pace environment/working under pressure
- + Good knowledge of PC literacy, including Word and Excel
- + Strong interpersonal, planning, organisational, motivational skills and using own initiative
- + Proactive approach to Problem solving / Enthusiastic / Flexible

The role does require contact with internal Departments and External Customers/Suppliers, so excellent communication skills are a must. To provide and ensure an excellent customer experience. In Addition, skills to motivate/drive and support the Service team.

CORE ACTIVITIES:

- + Coordinate a team of field-based Engineers, utilising company technology tools, monitor engineer efficiencies and provide customer satisfaction using Incident Management and Satellite Navigation System (TomTom)
- + Cover during absence/holidays for Service Coordinator colleagues + Take incoming calls from Customers and Suppliers.
- + Customer liaison/Queries
- + Engineer contact/Communication/Support
- + Support S.C.A scheduling/Booking/Cancellations
- + Instruct & authorise Sub-Contractors I.e., Tyre suppliers, coded welders etc.
- + Quotations/Estimates (within Escalation amounts)
- + Electronic Planning Board, VOR, first fix & Log and keep update all Daily & Monthly Monitors
- + Supply jobs/W.I.P No's, WIP Stats, Information & close off (Invoicing)
- + Check & monitor Job sheets/Timesheets using Daily Opps Monitor
- + Ensure a timely and efficient flow of Out-work purchase order's /GRN's logged and forwarded to Purchase Ledger dept.
- + Accurate invoicing and timely collation of job sheets to invoices before posting to customers.
- + General Admin duties when required, incl: - Filing, Memos, Faxes and Letters
- + To perform any other reasonable duties that may be required from time to time within the scope of your knowledge, skills, and ability.
