Company – Depot Manager - Materials Handling

Established in 1985, Impact Handling has grown to become one of the leading providers of material handling equipment in the UK. Offering only the very best, carefully chosen equipment ranges each specified to deliver what we believe is the best value for money currently available.

Our nationwide network has expanded with us and we are now proud to support our customers with strategically placed depots right across the country.

Values - Depot Manager - Materials Handling

At Impact Handling our people are our most valuable asset, we are proud to recruit and train the very best in the forklift industry. Equipping them with the skills and knowledge necessary to ensure that, no matter what our customers' need, they can handle it. Our values are:

- Empowerment
- Integrity
- Pride
- Teamwork
- Respect
- Health and Safety

Position - Depot Manager - Materials Handling

Impact Handling are actively recruiting for a Depot Manager to work within a busy depot environment. You will ideally have experience working with materials handling equipment or similar.

You will be responsible for the depot, its facilities, people, customers and profit. You will look after health, safety, environment, service, after sales, rental, administration, reporting, compliance and budgets. You will be an experienced manager from a similar engineering field who has as a minimum service manager experience but preferably senior management experience.

We can handle it.
