Company – Service Manager - Materials Handling

Established in 1985, Impact Handling has grown to become one of the leading providers of material handling equipment in the UK. Offering only the very best, carefully chosen equipment ranges each specified to deliver what we believe is the best value for money currently available.

Our nationwide network has expanded with us and we are now proud to support our customers with strategically placed depots right across the country.

Values – Service Manager - Materials Handling

At Impact Handling our people are our most valuable asset, we are proud to recruit and train the very best in the forklift industry. Equipping them with the skills and knowledge necessary to ensure that, no matter what our customers' need, they can handle it. Our values are:

- Empowerment
- Integrity
- Pride
- Teamwork
- Respect
- Health and Safety

Position – Service Manager - Materials Handling

Impact Handling are actively recruiting for a service manager to work within a busy depot environment. You will ideally have experience working with materials handling equipment or similar.

You will be responsible for the depots service operation and will report into the depot manager. Your role will be based around the region and you will manage a team of predominantly field based engineers as well as a small office-based team.

We can handle it.
