Company – Field Team Leader - Materials Handling

Established in 1985, Impact Handling has grown to become one of the leading providers of material handling equipment in the UK. Offering only the very best, carefully chosen equipment ranges each specified to deliver what we believe is the best value for money currently available.

Our nationwide network has expanded with us and we are now proud to support our customers with strategically placed depots right across the country.

Values - Field Team Leader - Materials Handling

At Impact Handling our people are our most valuable asset, we are proud to recruit and train the very best in the forklift industry. Equipping them with the skills and knowledge necessary to ensure that, no matter what our customers' need, they can handle it. Our values are:

- Empowerment
- Integrity
- Pride
- Teamwork
- Respect
- Health and Safety

Position - Field Team Leader - Materials Handling

Impact Handling are actively recruiting for a Field Team leader to be a hands on engineer with the added responsibility of leading a team of field based engineers. You will assist and support our engineering team in a number of ways including larger repairs/overhauls and technical support.

A background within Materials Handling or similar with experience working on large industrial vehicles is a must, we are looking for a highly skilled engineer who can take on additional responsibility, represent the company and help manage a growing field based engineering workforce.

We can handle it.
