### **Company – Assistant Workshop Manager - Materials Handling**

Established in 1985, Impact Handling has grown to become one of the leading providers of material handling equipment in the UK. Offering only the very best, carefully chosen equipment ranges each specified to deliver what we believe is the best value for money currently available.

Our nationwide network has expanded with us and we are now proud to support our customers with strategically placed depots right across the country.

### **Values – Assistant Workshop Manager - Materials Handling**

At Impact Handling our people are our most valuable asset, we are proud to recruit and train the very best in the forklift industry. Equipping them with the skills and knowledge necessary to ensure that, no matter what our customers' need, they can handle it. Our values are:

- Empowerment
- Integrity
- Pride
- Teamwork
- Respect
- Health and Safety

### **Position – Assistant Workshop Manager - Materials Handling**

Impact Handling are actively recruiting for an Assistant Workshop Manager to help lead the operation within our Corby depot.

This is a 50/50 role where half of the time you are hands on and the other half you are helping coordinate the engineers. You will be responsible for health & safety compliance, job planning, quality control and efficient engineer utilisation. You will also ensure staff training is carried out inline with company guidelines as well as employee requirements.

---

*We can handle it.*
